Dear Sisters and Brothers in Christ,

Greetings to you in the name of our Healing God.

In receipt of your mail, it is heartening to know the conditions at your end due to the COVID19 outbreak, and TELC in solidarity, remembers and stands with you in this testing time. None of us in our wildest imagination would have thought of the happenings in and around us. I'm in particular, concerned about our Mission Partners, their safety and impact of this outbreak in our life in the months and years to come. I have personally requested TELC congregations to specifically uphold our mission partners and they are doing so.

We are also sailing in the same boat as our country is heading towards the 3rd stage, the Government of India has imposed stringent restrictions including Curfew on this Sunday which may be extended furthermore. For a country of 1.3 billion populations with suboptimal health system, the scenario is very scary and unimaginable in India. We have encouraged our congregations to think of the less privileged people around them and support in all possible means during the days of curfew.

We take strong courage in facing this one-in a life time crisis, with the support of our Lord Almighty. We are praying for you and your congregations safety and we request you to remember us also. I sincerely hope that we would overcome this moment soon and resume our ministerial works.

May God embolden and guide us.

Regards,
Rt.Rev.D.Daniel Jeyaraj
