Date: 23.03.2020

Dear Madam,

Greetings to you in the name of Our Lord and Saviour Jesus Christ. Thank you very much for sharing your care concern thoughts and prayers regarding Corona Virus. It is very sad to think that the whole world is undergoing unbearable problems.

As per the school Education Commissioner Order Chennai all the Government Schools, Government Aided Schools and Private schools were closed from 17.03.2020 to 31.03.2020 to prevent the Corona Virus. For the safety of X Std XI Std and XII Std the children of the Boarding homes are opened for them to write their Government Examination. X Std examination is post phoned to 15th April 2020. Orphan children and helpless children are staying in the Home. Awareness programmes were conducted and instructions were given to children to follow in their homes and children residing in the homes. Special care and attention is given to our children.

In India especially Tamilnadu the Government is taking serious action to control the spread of Corona Virus. We cooperated with our Government by following their instructions to come out from this health crisis. May the Lord be with us and with all nations of the world and protect us from deadly Corona Virus. Our greetings and Prayers are with you, family and staff of ELM.

With greetings & Prayers

Yours Sincerely,

MANAGER
